Dear Steve,

Congratulations on your new on-line meeting! This is a three-year pilot project in progress during which a committee is developing guidelines and recommendations for on-line meetings. In the meantime, electronic meetings are *listed* at the WSO, they are not considered as *registered*.

Enclosed is a new group binder that is sent to newly-established groups. Information is included about meetings and the basic Al-Anon structure. We hope that parts of this binder will be helpful.

The above address is now listed in our records as the group contact for your meeting so that you can receive important correspondence from the World Service Office. Please try to use this address for at least one year. When the address used for your on-line meeting listing needs to be changed, notify us immediately so there will be no interruption of services.

We at the WSO may refer people to your meeting when they write or call seeking Al-Anon's help through the internet.

Please use your WSO identification number whenever referring to orders or contributions from members who attend the meeting.

Warmest greetings from all our staff. If you have any questions or if we can help in some other way, please contact us.

Sincerely,

Joe Tanory
